ACRYLIC MOLDING TAPE

This tape is designed to conform to the irregular surfaces commonly found on moldings that are reused. This new solid acrylic core offers superior strength is formulated with the most aggressive acrylic adhesive currently available. **.045** thickness to provide extra clearance between molding and body. Provides instant and permanent adhesion to all types of moldings and automotive finishes. Resistant to heat and ultraviolet Especially suited for moldings with edges that may prevent effective bonding to the body side when thinner tapes are used.

1/4" x 72'	# RXX-1/4
