To PRINT a : “Vehicle Component Checklist” - V.C.C.

Page **1** of 2 - Twin cartridges, bonding, adhesives, w/s & seam sealers, aerosols, molding & seam sealer tapes, sound deadening pads, body filler and finishing glaze.

1. From the HOME page “click” the “My CREST” button under the “Vehicle Component Invoice” bar.
2. Enter the “password” when prompted.
3. From the “My CREST Menu Page” click, “Vehicle Component Checklist”
4. **PRINT (Ctrl + P)** Note: By default both pages will print. A Re-Order Form is also attached.

You can choose to “SAVE” this file, using the “Save As” option from the file menu for re-prints or use a “clean copy” as a “master copy” to make “photo copies” for continued use.

1. Print both pages and “attach” to every “R.O. or Job Ticket”.

2. Have “technicians” record component material usage for the job with pen or pencil.

3. Cans and cartridges can be recorded by % of the container using “decimals”.
i.e. (.1, .25, .50, .75, or 1.) any decimal is accepted.

Molding and seam sealer tape is measured by the running foot.

Examples are illustrated to the right.

4. When the job is complete, turn in the “Vehicle Component Checklist” for “INVOICING”

Continued : “Vehicle Component Checklist” - V.C.C.

Page 2 of 2 - Hardware, plastic fasteners, clips, body bolts, nuts, screws, plastic and metal rivets, wire ties, staples, electrical components, connectors, head lights, mini bulbs & hose clamps.

- Hardware, and the like are recorded by the “piece”. Technicians record the number of “pieces used” in the “box provided” where the illustration most closely resembles the fastener used on the job.
- Additionally, hardware, bulbs, etc can be entered with the actual item “**Stock Number**” or by using the short cut, “**T**” Number. The “**T**” number stands for “**TYPE**”. It is the “**AVERAGE**” price of an O.E.M. fastener across manufactures utilizing that type of fastener. *Examples are illustrated to the right.*
- As before, when the job is complete, turn in the “**Vehicle Component Checklist**” for “**INVOICING**”.
